

HARTMAN & COMPANY, INC.
HEAVY CIVIL CONSTRUCTION SPECIALISTS

Project Profile

Hwy 60 & Republic Rd. Interchange

Project Value: \$13,000,000 - \$15,000,000

Added a third lane in each direction from National Ave to R-65 interchange and added a round-about on business 65 (Glenstone) to help overall traffic flow.

Project Impact Factors:

- Due to MoDOT staging and the overall size of the job, this project took over one-year to complete
- Thus Spring & Fall rains and Winter snow & ice became significant Factors.
- Plus 90% of the project work had to be completed at night.
- Our Team outperformed expectations and did a terrific job on this project.
- Everyone involved were very pleased with the outcome.
